Dear Mr. *Sudol: Frank*

Congratulations, once again, on being a recipient of a 1991 Region 2 Environmental Quality Award. Enclosed you will find a copy of the press release issued from EPA Region 2 offices regarding the awards. The press release was sent to major newspapers in your area. Should you wish to have the press release sent to media in your local community, or if there are questions regarding the press release itself, please contact Melissa Margetts Jaeger at (212) 264-2515.

It has been a pleasure to work with you during this process. I hope that you will continue to be involved in environmental issues and remain committed to making a difference in environmental quality. Please do not hesitate to contact me at (212) 264-2980 if I can be of assistance in the future.

Sincerely yours,

*Terry*
